The services included under this project are *provision of consultancy supervision services for the construction of key roads and junctions in Kampala City*. The assignment for each lot will be carried out over a period of forty-eight (48) calendar months including a 12 months' defects liability period.

The specific objective of assignment is to;

- i) review the designs and ensure that the project is implemented in accordance with the General and Particular Conditions of Contract, the Technical Specifications and Engineering Drawings;
- ii) optimize the use of available material resources to minimize costs to the Employer or to maximize the quality of the Works and expedite construction; and

- iii) ensure that the project is implemented within the Contract Price and Time for Completion allowed under the Contract.

Kampala Capital City Authority (KCCA), being an authorized agent of the Government of the Republic of Uganda now invites eligible consulting firms to indicate their interest in providing the above services. Interested consultants must provide information indicating that they are qualified to perform the services (brochures, description of similar assignments, experience in similar conditions in the region, availability of appropriate skills among staff, etc.). Consultants may constitute joint-ventures to enhance their chances of qualification. Consulting firms may express their interest in one or all the lots.

Eligibility criteria, establishment of the short-list and the selection procedure shall be in accordance with the “**Procurement Policy for Bank Funded Operations**” approved” October 2015, which is available on the Bank’s website at <http://www.afdb.org>.

The short-listing criteria shall be as follows:

- i) Description of assignments of similar nature and scope in infrastructure engineering studies, transport studies, design and construction supervision conducted in the last ten (10) years;
- ii) Experience of the firm in supervision of infrastructural projects in the sub Saharan Africa region on at least five (5) projects;
- iii) Availability of appropriate skills/expertise among the consultant’s staff including; Resident Engineers, Highway/Pavement Engineers, Transport planners and Traffic Engineers, Materials Engineers, Bridges/Structural Engineers, Engineering Surveyors, Measurement Engineers, Electrical Engineers, Urban Traffic Control Engineers, and Social and Environmental Experts. Individual experts’ bio-data is not required at this stage.

Interested consultants may obtain further information at the address below during office hours 9:00 a.m. – 5:00 p.m. (Kampala local time) on Mondays to Fridays except on public holidays.

Hard copies of the expressions of interest in triplicate must be delivered to the address below by **Friday 20<sup>th</sup> March, 2020 at 11:00 am**, Kampala local time

clearly marked with the package number, lot number, title of the assignment, and applicant's/ firm's name and address. The expressions of interest must be addressed to;
