	Reason for Acceptance	They offered the best evaluated bid	Reason for Rejection	The mechanical broom they proposed to offer is a 4WD and turbo charged, instead of the required 2WD and naturally aspirated engine. The impact of this deviation is high, as it will lead to high maintenance costs over the equipment's lifetime. (The material deviations are detailed in the Notice of Intention to Award).

**N.B:** Any bidder who wishes to ascertain the grounds on which its proposal was not selected, should request an explanation from the Executing Agency. In any event, the Bank reserves the right to review any complaint of a bidder at any time following the award.
