The Director,
Directorate of Engineering & Technical Services
Kampala Capital City Authority,
P.O. Box 7010,
KAMPALA

Dear Sir,

LIST OF REGISTERED ENGINEERS WITH VALID PRACTICING LICENCES 2019

This is to forward to you a list of all registered engineers with valid practicing licences for the year 2019 as at 18th March 2019. The current list has a total number of 525 Engineers who possess valid practicing licences for this year under the different engineering disciplines. However, since practicing licences are issued whole year round, you may wish to cross-check with the Board on cases where one may not be on the list but utters an ERB licence for the year 2019.

Only Engineers that have valid practicing licences issued by the Board are legally permitted to practice Engineering in Uganda in line with the Engineers Registration Act, 1969. KCCA should therefore ensure that only licenced engineers endorse any engineering drawings.

Please do not hesitate to contact the Board in case of any further clarifications.

Yours Sincerely,

ENG. NAMUGERA RONALD

REGISTRAR, ENGINEERS REGISTRATION BOARD
