BUSINESS

- For the business category the competition will involve an **ENVIRONMENTAL AUDIT** of practices. A rating system will be introduced based on effort to introduce good practices and commitment to keep them. We will send you a questionnaire to complete then a team of experts will visit your business to verify your practices and submit to the judges.
- To participate send your business details via email between 24th August and 7th September 2015 to: climatechange@kcca.go.ug
- We will then send you a questionnaire for you to complete and return between 7th and 21st September.
- Our experts will visit you between 21st and 28th September to review your practices.
- The expert panel of judges will review and award prizes for the best practices by businesses. This will take place from 29th September to 2nd October.
- Prizes and certificates will be presented to the successful businesses at the Kampala City Festival on 4th October.
- Get on board with your colleagues and show you care about your business practice and how you can make a difference whatever the size or type of company you run.

FASHION

- This year's Festival is promoting sustainable FASHION which is about using eco-friendly materials or recycling old materials. It follows the 3R principle – **reduce, reuse, recycle**.
- KCCA Executive Director, Ms Jennifer Musisi, is inviting fashion designers and artists to design an eco-friendly or recycled costume which she can wear for the Festival. A cash prize of **1million UGX** will be awarded to the winner.
- A prize will also be awarded for the best climate change costume which you or a friend will be wearing on the day of the Festival (4th October 2015).
- The winning selection will be judged on:

Wearability - comfort, ease of movement, finishing

Materials- use of waste or reusable materials

Principles- following 3Rs (reduce, reuse, recycle), sustainable or natural products

Theme- the design relates to this year's Festival theme of **COLOUR** and **CLIMATE CHANGE**

- Designers wishing to participate should send their email details and indicate their interest in designing this costume by August 31st to: climatechange@kcca.go.ug
- We will then send you details and rules and we expect you to design and present your costume between 1st and 25th September.
- The panel of judges will review all designs between 25th and 29th September.
- On 30th September there will be a fitting and the winner will be announced.
- The Executive Director will showcase the winning costume at the Festival on 4th October.
- The best costume will be judged on the day but make sure you send a photo of your design to climatechange@kcca.go.ug before 30th September.
- This is an exciting opportunity to showcase your talent and make a statement about sustainability.

RULES

- 1 In your organized group choose a relevant category in which you will compete.
- 2 Fill in the application form online from www.kcca.go.ug/climatechange/competition.
- 3 Decide which format and theme you will use to present your entry.
- 4 Mark this clearly on your submission letter to make sure you are entered correctly.
- 5 Each group may only submit one entry which should be jointly prepared knowing it is for public viewing.
- 6 Any entry containing rude language or indecent images or attire will be automatically disqualified.
- 7 Local language is allowed but we encourage use of English where possible.
- 8 Watch the media updates to know when we will come to visit your site to film your progress in action. Do not forget to provide correct contact information to make sure we are able to visit before the closing date which will be announced in the media.
- 9 Upload your entry to the KCCA facebook page by 26th September so people can vote before the final showcase at the Festival on October 4th. If you cannot upload this bring it in person to KCCA offices at City Hall and submit it to the special desk allocated to receive entries by September 25th. We will then upload it for you.
- 10 The general public will be invited to vote on social media and winners will be showcased during the Festival.
- 11 A panel of judges will decide the final winners for each category based on: number of public votes, involvement of members in preparation and presentation, innovation, clear message, relevance to Climate Change and contribution to improving our city.
- 12 The winners for each category will be presented with certificates and awarded trees as prizes. This ceremony will be supported by KCCA and partner sponsors.

If you have any questions please send us an email: climatechange@kcca.go.ug
