

PUBLIC NOTICE

PLACEMENT OF POSTERS AND ADVERTISEMENT TOOLS IN THE CITY

This is to notify the General Public that the *Kampala Capital City Act, 2010*, the *Kampala City Council (Maintenance of Law & Order) Ordinance 2006*, and the *Kampala City Council (Outdoor Advertising) Guidelines, 2008* prohibit the display or causing or permitting to be displayed in all outdoor areas, whether on the exterior surface of any building or on any part of any premises, or on any free-standing advertising structure, any posters or advertisements of whatever nature, without a License or Permit from the City Administration.

As the city administration, KCCA shall not condone the proliferation of unauthorized pasting of posters and other advertisement tools in disregard of the existing legal and regulatory framework.

Accordingly, we request that those that have pasted, erected or caused the placement of any posters and other advertisement tools without the prior approval of KCCA to immediately remove the same to avoid enforcement action and prosecution before courts of law.

Your cooperation in this matter will be greatly appreciated and will help maintain an aesthetically pleasing city.
