

AMENDED REQUEST FOR EXPRESSIONS OF INTEREST (CONSULTING SERVICES – FIRMS SELECTION)

UGANDA KAMPALA INSTITUTIONAL AND INFRASTRUCTURE DEVELOPMENT PROJECT PHASE 2

Project No.: **P133590**

Assignment Title: CONSULTANCY SERVICES FOR DESIGN REVIEW AND CONSTRUCTION SUPERVISION OF DRAINAGE IMPROVEMENT WORKS AS DETAILED BELOW;

- a) Consultancy Services for Design Review and Construction Supervision of Drainage Improvement Works on Lubigi Drainage System
 - b) Consultancy Services for Design Review and Construction Supervision of Drainage Improvement Works on Kansanga/Gaba Drainage System
 - c) Consultancy Services for Design Review and Construction Supervision of Drainage Improvement Works on Kinawataka Drainage System
1. The **Kampala Capital City Authority** received financing from the World Bank towards the cost of the **Second Kampala Institutional and Infrastructure Development Project** and intends to apply part of the proceeds for consulting services.
 2. The consulting services (“the Services”) include provision of design review and construction supervision services for drainage improvement works as below

Procurement No.	Reference	Subject of Procurement	Description
KCCA/KIIDP2/ISCS-15		Consultancy Services for Design Review and Construction Supervision of Drainage Improvement Works on Lubigi Drainage System	The major works will include realignment, expansion and lining of at least 5.1 km of primary drainage channels and 48.6 km of secondary channels as well as upgrading several culvert crossings. The assignment will be carried out over a period of 37 months
KCCA/KIIDP2/ISCS-16		Consultancy Services for Design Review and Construction Supervision of Drainage Improvement Works on	The major works will include realignment, expansion and lining of at least 9.93 km of primary drainage channels and 5.62 km of secondary channels as well as upgrading

	Kansanga/Gaba Drainage System	several culvert crossings. The assignment will be carried out over a period of 31 months
KCCA/KIIDP2/ISCS-17	Consultancy Services for Design Review and Construction Supervision of Drainage Improvement Works on Kinawataka Drainage System	The major works will include realignment, expansion and lining of at least 7.8 km of primary drainage channels and 12.12 km of secondary channels as well as upgrading several culvert crossings The assignment will be carried out over a period of 31 months

3. Where drainage channels cross existing roads, it will be necessary to reinstate roads (at the channel crossing) to the same levels, dimensions and structural strength as before the works. Existing foot bridges will be rehabilitated and new pedestrian channel crossings will be installed at designated locations. Selected right-of-way sections of the rehabilitated channels will be landscaped to KCCA's specifications.
4. **Kampala Capital City Authority** now invites eligible consulting firms ("Consultants") to indicate their interest in providing the Services. Interested Consultants should provide information demonstrating that they have the required qualifications and relevant experience to perform the Services including brochures, organizational set up. The short listing criteria will be as follows:
 - 1) General experience of the firm in at least 10 infrastructure engineering studies and;
 - 2) Experience of the firm in planning, design and supervision of infrastructure projects in the African tropic regions on at least 5 projects
 - 3) Relevant experience of the firm on at least 3 assignments of similar type, nature and scope;
 - 4) Availability of appropriate skills/expertise among the consultant's staff including engineering project management and documentation, hydrology/drainage engineers, materials engineers, engineering surveyors, structural engineers, measurement engineers, architects, claims experts and social and environmental experts. Individual experts' bio-data is not required.
5. The attention of interested Consultants is drawn to paragraph 1.9 of the World Bank's *Guidelines: Selection and Employment of Consultants [under IBRD Loans and IDA Credits & Grants] by World Bank Borrowers January 2011* ("Consultant Guidelines"), setting forth the World Bank's policy on conflict of interest.
6. Consultants may associate with other firms in the form of a joint venture or a sub-consultancy to enhance their qualifications. The type of association whether a joint venture or a sub-consultancy, where applicable, **must** be clearly indicated in the Expression of Interest.

7. Consulting firms may express interest in one or more packages. Consultants expressing interest in more than one package should demonstrate qualifications, experience and capacity to execute the packages for which they submit an Expression of Interest. A Consultant may be short listed for more than one package subject to demonstrating qualifications, experience and capacity to concurrently execute the packages for which they are short listed
8. A Consultant will be selected in accordance with the with the **Quality and Cost Based Selection (QCBS)** method set out in the Consultant Guidelines.
